

Sally Hansen®

NAIL INDEX

GO DARK THIS HALLOWEEN WITH THESE THREE NAIL LOOKS THAT PLAY UP SPOOKY TEXTURES AND SHADES:

what you'll need...

- I ♥ Nail Art Pens in Black and White
- Insta-Dri Nail Color in Rapid Red
- Big Matte Top Coat
- Dotting Tool from the I ♥ Nail Art Tool Kit
- Big Shiny Top Coat

Step 1 Create a random design with dots and lines using the I ♥ Nail Art Pens in Black and White. Blow on the design using a straw to create a splattered effect.

Step 2 Pour a couple of drops of Insta-Dri Nail Color in Rapid Red onto a piece of foil. Dip the straw into the polish than blow it onto your nail. Once dry, top each nail with the Big Matte Top Coat.

Step 3 Use the Dotting Tool from the I ♥ Nail Art Tool Kit to create blood droplets on the tip of your nail using Insta-Dri Nail Color in Rapid Red.

Step 4 Once dry, seal the blood drop design with the Big Shiny Top Coat.

NAIL INDEX

Sally Hansen®

what you'll need...

I ♥ Nail Art Pens in Black, White and Orange
 Big Crackle Top Coat
 Dotting Tool from the I ♥ Nail Art Tool Kit
 Insta-Dri Nail Color in Rapid Red
 Big Shiny Top Coat

Step 1 Use nail stickers or tape to outline a triangle in the centre of your nail. Using the I ♥ Nail Art Pen in Black, draw the outline of the eye and eyebrow and colour in the rest of the triangle in black.

Step 2 Once dry, remove the tape and fill in the rest of your nail with the Big Crackle Top Coat. Use the I ♥ Nail Art Pens in White, Black and Orange to fill in the eye, brow and pupil.

Step 3 Use the Dotting Tool from the I ♥ Nail Art Tool Kit dipped into Insta-Dri Nail Color in Rapid Red to add additional details to the eye.

Step 4 Once dry, top with Big Shiny Top Coat.

what you'll need...

Insta-Dri Nail Color in Orange Zest
 Insta-Dri Nail Color in Black to Black
 Salon Formula Nail Polish Remover for Sensitive and Artificial Nails
 Big Shiny Top Coat

Step 1 Apply one coat of Insta-Dri Nail Color in Orange Zest to each nail.

Step 2 Add two drops of Insta-Dri Nail Color in Black to Black to a glass of room temperature water, along with a few drops of rubbing alcohol to create a marbled effect.

Step 3 Dip each nail into the water and allow to dry. Use a cotton swab dipped in Salon Formula Nail Polish Remover for Sensitive and Artificial Nails to clean up polish around the outside of your nail beds.

Step 4 Seal each nail with Big Shiny Top Coat.
